JANUARY HEALTH EDUCATION AND WELLNESS PROGRAM—FOODS THAT FIGHT DISEASE: What you eat can make a big difference in how you feel, how healthy you are, and maybe even how long you live. Researchers are discovering that some foods act like medicine and can contribute to illness or promote health. How do you choose the right foods and why are some so good for you and others so bad? January's health program will look at foods that fight disease: fruits and vegetables, whole grains, nuts, beans, legumes, low-fat milk and yogurt, and fish. It will include information on phytochemicals, how to cook food to ensure maximum nutrition, natural and home remedies that work, and what foods fight specific diseases. Your diet can be one of the most important components of a healthy lifestyle. Take the time to learn more about the foods you eat and choose wisely. Packets will be available at all medical facilities and upon request to Carol Roth, BOC-005, 867-2026. (JJ-C)

ANNUAL INSPECTION FOR THE HAULOVER CANAL BRIDGE AND THE NASA CAUSEWAY/KENNEDY PARKWAY OVERPASS: Beginning on Monday, January 12 through January 16, 1998, an inspection will be conducted on the Haulover Canal Bridge and the NASA Causeway/Kennedy Parkway overpass. Haulover Canal Bridge flag persons will direct traffic when the bridge is reduced to one-way traffic. The NASA Causeway/Kennedy Parkway overpass will be reduced to one lane between 8:30 a.m. and 2:30 p.m. while work is being conducted in this area. KSC LOCATOR: Personnel at KSC are reminded, when submitting KSC Form 13-58 (Employee Locator Information) to ATS-Locator, to verify all information including the telephone directory information block. Monthly updates to the Locator printouts should be complete. This includes the "Telephone Directory" column. The letter "T" in this column indicates that the name appears in the telephone directory. Home phone numbers will not be printed in the telephone directory unless a signed Form 13-58 is submitted. (FF-S2-A)

PRIVACY ACT: Under the Privacy Act, civil service employees may: (1) Determine if NASA has a record concerning you; (2) See your record; (3) Obtain a copy of your record; (4) Request that your record be amended or corrected; (5) File an appeal in the event the agency does not correct or amend your record as requested. For information, call the KSC Privacy Officer, 867-4540. (FF-S2-A)

ORDERING BLANK FORMS/PUBLICATIONS: All requests for blank forms and publications should be submitted on KSC Form 7-11 to the Forms Warehouse (mailcode: "FORMS WAREHOUSE"). Allow approximately 5 working days to receive the requested material. Any requests for emergency or work-stoppage forms will be handled by Forms Control by calling 867-3590. Customers should not go directly to the warehouse to pick up forms without calling Forms Control first. Customers cannot call the Forms Warehouse direct because they have an unlisted telephone number. (FF-S2-A)

KSC BULLETIN USERS - PERSONAL ADVERTISEMENTS: All property advertised for sale in the KSC Bulletin must be owned by the person submitting the advertisement. The privilege to use the KSC Bulletin could be denied to any persons who misrepresent ownership or falsify names and signatures of owners. (FF-S2-A)

EMPLOYEES PLANNING FOR RETIREMENT: To make tentative annuity computations, verify creditable service, and process an application for retirement, employees considering retirement should assure that all military and civilian service has been properly documented in their personnel records. Although dates of military service may have been previously recorded and verified, these dates should be reverified so there will be no delay in the receipt of annuity checks. Employees who have had active military service should submit to Sharon Lowry, Retirement Counselor, Personnel Office Benefits Team (HM-A-3), copies of their military discharge papers, DD 214, or other documents showing the beginning and ending dates of active service. Employees who do not ensure that all active duty military service is properly documented may experience a delay in the receipt of full annuity payments from OPM upon retirement from civil service. Contact Sharon Lowry, 867-2514, Headquarters, Room 1404. (HM-A-3)

COURT LEAVE: Title 5, U.S.C., Section 6322, authorizes court leave for employees who are summoned on behalf of any party in connection with any judicial proceeding to which the United States, the District of Columbia, or a State or local government is a party. It is official duty time when an employee is summoned or assigned to (1) testify or produce official records on behalf of the United States or District of Columbia, or (2) testify in his/her official capacity or produce official records on behalf of any other party. Service as a witness for a private party in any proceeding not involving any of the above Government entities as a party and not in an employee's official Government capacity requires the use of annual leave. (HM-A-3)

FEDERAL EMPLOYEES HEALTH BENEFITS EXTENSION OF COVERAGE: The Federal Employees Health Benefits Amendments Act (PL 100-654) has provided separated employees, certain dependent children, and former spouses the option of keeping their Federal Employees Health Benefits (FEHB) plan for specified periods of time. Under the provisions, employees who leave the Government, either voluntarily or involuntarily, are eligible to continue FEHB coverage for 18 months if (1) the employee was enrolled in the FEHB at time of separation and; (2) the employee was NOT fired because of "gross misconduct." This includes employees who retire and are not eligible to continue FEHB coverage as annuitants. Children who become age 22 and ex-spouses may continue coverage for up to 36 months, provided they had coverage under a Federal employee at the time of the event. These individuals have continuation of coverage for 31 days at no cost to them. However, within 60 days of the event, they must submit paperwork to continue their FEHB. For more information, please contact Jeri Huneycutt, (867-4786), or Kathy McIntosh (867-2504), Personnel Office Benefits Team, Headquarters Building, Room 1404. (HM-A-3)

NASA/BOC OUTBOUND SHIPMENTS: To help ensure that all users of the BOC Shipping Department have their requirements met, the following procedure must be adhered to: Shipments processed through the BOC Shipping Department are for official government business only. Personal shipments are not authorized. All shipments must be accompanied by a properly completed shipping request document (KSC Form 7-248 or DD-1149). Carrier freight bills without the proper KSC forms will not be accepted. Shipments involving hazardous materials must have a Material Safety Data Sheet (MSDS) or other technical data sheet. Small priority/overnight shipments, including letters, must be received in the BOC Shipping Department no later than 2 p.m. or they will be processed on the following workday. Large priority shipments and/or shipments requiring extensive packaging must be received at least 48 hours prior to the required date at destination. Government property tagged items need to be routed through the proper Property Control Office before requesting the shipment and/or, if required, accompanied by a copy of a property custodian's approved KSC Form 1602. If you have any questions or require further information, call the BOC Shipping Section at 867-3501 or 867-7998. (LO-SOD-1)

FEDERAL WOMEN'S PROGRAM: The Federal Women's Program Working Group (FWPWG) has requested appointments from the following Directorates to fill 2-year terms: AA, BB, DE, EC, FF, HM, JJ, LO, MK, OP, ST and PH. Individuals interested in appointments should contact their Admin Officers prior to January 16, 1998, for an application form. For further information, call J. Rhodes, 867-2307. (AJ)
